Hello Parents,

We're back from our recent field trip to the "Get Motivated" Seminar and heard world-class speakers give attendees tips for success personally, spiritually (one very Christ-centered presentation) and professionally. I was particularly impressed by the warmth and humor exuded by General Colin Powell. He was quite inspirational in his love for our country and devotion to the concept of freedom. Students generally appreciated the day though several thought it ran long - they were right, by the way. I especially appreciated Mrs. Nunley and Ms. Gonzalez for their dedication and thoughtlessness (kidding) in riding the school bus there and back with the students.

As I've mentioned in previous e-mails, I'm attempting to improve various aspects of our school. One such improvement needs to be made in the area of "School Climate." Unfortunately in the past I've only handed out disciplinary slips to students and have never handed out commendation slips for students getting caught "doing something right." Starting today, students behaving commendably will receive "Green Slips" which recognize positive traits such as cooperation, scholarship, leadership, being helpful, etc. Students receiving these slips will have their name entered in a drawing for various prizes yet to be determined. I am open to contributions / donations of items you believe students may wish to receive.

We have had some problems with students accessing their online grades. I believe the problem has been fixed; if there are problems accessing your child's grade, please let me know and I will get it fixed.

Torrance High School (South) has invited Pacific Lutheran High School to participate in their Spring college night, on Saturday February 27th from 10:00 a.m. until 2:00 p.m. Information about this can be found at by contacting South High School.

Thank you for your help in giving your child a Christ-centered, college-preparatory education.

In Christ,

Lucas Fitzgerald
Principal
