Jae was accepted to: California Lutheran, UC San Diego, and UCLA!

Amanda & Betsy were accepted to Cuesta College

We have a little over one week left in our third quarter grading period and we are fast approaching the start of our 4th and final quarter. Please encourage your child to succeed these final days before the end of the grading term and by spending quality time hitting the books. School-wide grade point average has risen for two consecutive quarters (comparing last year with this year) and I'd like to see this positive trend continue. Things are going fairly smoothly on campus and students are to a great extent, doing quite well.

We recently had the good news to hear that our projected valedictorian Jae Park was recently accepted into UCLA's School of Biological Sciences. We are proud of him and his hard work which has led to his acceptance into one of the premier universities in the world.

Thank you for the two dozen or so re-enrollment forms and / or verbal commitments which have already come into the office for the 2010-2011 school year. As a reminder, parents who re-enroll their students during the month of March will receive a discounted Enrollment Fee of \$450.00. If you have not returned this form and plan to re-enroll your child, I have attached a re-enrollment form for your convenience. This form may also be found on our website by clicking on Admissions and then "Re-enrollment form." The earlier I know the student count for next year the earlier I can issue teacher contracts, order materials, add new programming, etc.

Many classes have been abuzz with students working on projects in Theology, Economics and Chemistry over the past few weeks. I have been impressed with the creativity, energy, and work put into these assignments, and commend teachers for their creation of such project. These projects are often the high-point for students in the classroom during the school year.

Please let me know how I can make this a better experience for your son or daughter. May our good and loving Lord bless and keep you this year and the years to come.

In Christ,

Mr. Fitzgerald
Principal
