Hello Parents,

The year is flying by. Tomorrow marks the end of the third quarter grading period and officially puts us at 75% through the school year. Please take a look at some items found below as my thoughts are in bullet point format this week. May our good God bless and keep you in the days and weeks to come.

* Pacific Lutheran High School was recently given another TurningPoint technologies response system by the Los Angeles County Office of Education. Teachers now have greater access to this technology and all of its advantages. Advantages of these clickers are found on our website under Academics.

* Thank you for the continued re-enrollment forms which have been coming in. As a reminder, next Thursday (we'll accept Friday also) marks the end of early re-enrollment for the 2010-2011 school year. After this date it will be the regular \$500.00 enrollment fee which will be due. As a reminder, families which refer other new school families to PLHS will receive a credit towards their account.

* Congratulations to our recent Science Competition winners - **First Place Jae Park** - "The Properties of Melting Ice". **Second Place - Homa Hayatyfar** "Name Brand Lip gloss vs. Generic - Which is better?" **Third Place - Nathan Pearson** - "Surf Board Wax and its Effectiveness"

* We are now selling tickets for our dinner fundraiser in the school office for \$30.00. Our "Poor Man Luther" Dinner Auction will begin at 6:00 p.m. at the Torrance Woman's Club down the street from the school. We are still looking for items to be donated, and for guests to attend. Please consider helping in any capacity with our one major fundraising event.

* Our baseball, volleyball, and golf teams are competing this spring and are competitive in their contests. We're thankful for no injuries and the chance for athletes to participate in sports.

* We are gearing up for our "Spring Week" event on campus earlier than ever. Spring Week is an annual week-long academic and extracurricular team competition at PLHS. Teams have already been selected and the first "event" began this week. "Spring Week" is one of the high points of the year for PLHS students year after year.

Re-Enrollment

Re-Enrollment for the 2010 /2011 school year has begun. Forms were sent home with students last week attached to a copy of the newsletter. Please contact the office if you did not receive the re-enrollment form.
