Hello Parents,

You will be receiving your child's 3<sup>rd</sup> quarter grades today. Please ask your child about them when you see him/her. There is some very good news to report regarding these grades. Students' average grade point averages have risen from 2.77 in the 3<sup>rd</sup> quarter of 2009 to a fairly stunning 3.16 g.p.a. for the 3<sup>rd</sup> quarter this year. This is a significant improvement in overall grades for PLHS students from top to bottom. I am very proud of our students for their accomplishment and for our teachers who are very clearly pulling the most from their students. Factors which I believe have led to this improvement in school g.p.a. from last year are very good grades from our incoming Freshmen and transfer students, our new mandatory homework policy, and a general school-wide emphasis on student success in the classroom.

Today is the final day for the "early bird special" re-enrollment period, but it is still important that I know as soon as possible which students will and will not be returning next year. This shapes my planning for budgeting important items including: teacher contracts, equipment, textbooks, new elective course(s), etc. So, if you know your student will be returning and have not completed the paperwork, please do this at your earliest convenience.

I pray that you have a blessed Easter as we all remember "the Lamb of God who takes away the sin of the world."

Blessed Easter,  
Lucas Fitzgerald
