Hello Parents,

It's usually pretty tough to ease back into school after a long break but we've hit our stride again and are continuing our daily work of educating your child. We have our second to last parent meeting tonight. I hope many parents can make it as we'll be discussing end of year items including graduation, end of year trip, Spring Week, grades, etc.

We will also be discussing Pacific Lutheran High School's business venture - Pacific Lutheran High School Thrift Store. This project will be opening in mid-September and will be run by Mrs. Mary Carlson, a very experienced thrift store manager. Benefits from this store will include increased student scholarships, academic and athletic funding, business training / programming for PLHS students, increased community impact, etc. An informational meeting (with snacks) will be held Tuesday April 27th at 7:00 p.m. Please call the school office for details.

PLHS students will be participating in the L.A. County Science fair tomorrow. Mrs. Nunley is to be commended for her dedication and commitment to her Chemistry class.

I have mailed home several letters to parents concerning re-enrollment for next year. Please return the completed paperwork when you can so I can continue to budget and plan for next year.

To God alone be the glory.

Lucas Fitzgerald
Principal

Car Wash

The Baseball and Boys Volleyball Teams will be having a car wash this Saturday April 17th from 8:00 a.m. - 1:00 p.m. Please come by and support our athletics department.

M.O.M. (Mothers Offering Mercy)
