Homecoming Dance at Double Tree Hotel, Torrance

Hello Parents,

We've settled in after our Arrowhead trip this week and gotten back to the task of classroom education. I hope your student enjoyed Arrowhead. We are halfway through our sixth week of school. This means we are about two-thirds through our first academic quarter. If you have not viewed your child's grades online, please do so his/her progress can be tracked and any necessary intervention can occur.

We will be having a Parent Meeting Thursday night to discuss school items. The primary area of focus will be on Iowa Test interpretation and analysis. The meeting starts at 6:30 p.m. and will be either in Room 5 (Downstairs classroom) or in the Church building, depending upon parent turnout. I have already met individually with students to discuss these results but would like the opportunity to explain these results to you in detail. Please let me know how I can better serve you or your family.

In Christ,

Lucas Fitzgerald

Parent Hour Opportunities

1. We are looking for any interested parents to take one/some of our International Students on cultural excursions which show them parts of America they might not ordinarily see. If you'd like to take a student on a "field trip", please contact Kevin Steffens in the school office.
2. Supervise / help with our three home football games (First one is October 23rd). We need help running the ticket booth, snack shack, scoreboard, working the chains, etc. for this game.
3. Driving students to Ms. Flett's field trip at the Nixon Library.
4. Helping with the Auction committee.

Financial Aid Information

In preparation for applying for federal financial aid, both parent and student should visit the following website to get pin numbers to fill out the FAFSA form. The site becomes busier as the time approaches, so it's a good idea to take care of this detail early. Even if your student starts at a junior college, the FAFSA must be completed to receive any financial aid.
