Hello Parents,

I hope everything is well with you. We are approaching an important time in the church year called the Reformation and will be focusing on this a bit in our chapels and Theology classes. The primary outcome from the Reformation is the teaching that man is made right with God through Christ's work on the cross rather than through man's work. We'll share this precious truth with your children in the coming weeks.

A few odds and ends for you to consider.

There are two weeks left in the first quarter. Please encourage your child to work and study hard for the next two weeks as grades will be finalized soon. Please continue to check your students' grades online and contact the office if you are having difficulty with this.

Please have your child return to me the work-day form that was sent home. This form lets us know if your child will be attending our work party Friday at Madrona Marsh or will be doing community service of their own. Students should meet at Madrona Marsh by 8:30 a.m. with work gloves, water, and lunch. We will be done at approximately 1:00 p.m. with our work and then will tour the Madrona Marsh Nature center until about 1:30 p.m. Please pick up your child at 1:30 p.m. in front of the Preserve Center.

Planning for our first-ever Homecoming Dance this Saturday October 24th is going smoothly. As mentioned in previous communications, the event will be at the Torrance Holiday Inn (near Calvary Chapel South Bay) and will last from 8:00 p.m. until midnight. We are looking for some help with decorations/set-up for this event. Please contact the school office if you'd like to help in this area. If your child will be attending this event, they need to make payment in the office (\$25.00) and also complete a guest pass application form for any guest which they bring.

Pancake Breakfast tickets will be sent home tomorrow with your child for our November 7, 2009 Pancake Breakfast Fundraiser. Please help us to sell as many tickets as possible to this event, as we make 100% profit on each ticket sold. If you/your child sells all ten tickets, each family will receive two parent hours and two student hours credited towards your total. The class with the highest per student average (total funds divided by the number of students in the class) will receive a pizza party and ice cream party during lunch at a later date.

Let me know if you have any questions,

In Christ,

Lucas Fitzgerald
