

Emergency Supplies

Due to a very generous donation from Our Savior's Lutheran Church in Pacifica, CA, Pacific Lutheran High School has emergency supplies located in four different places on campus:

1. Mr. Fitzgerald's office under his desk.
2. The computer Lab behind Room 1.
3. Mrs. Gonzalez and Ms. Flett's Office adjoining Room Three.
4. Dr. Avalos, Mrs. Nunley and Mr. Washington's office behind Rooms Four and Five.

These supplies are found in white buckets marked "Survival Kit" and contain many life-saving items. Each of these survival kits can serve up to 25 people. The items found in these kits are:

1. Food Bar packages (2400 calories each)
2. Water Boxes with straws
3. First Aid Kit with 106 different pieces of equipment
4. 3-way AM/FM Radio and Flashlight
5. Thermal blankets
6. Tissue Packs
7. Water Purification Tablets
8. Water Bag
9. Lightsticks
10. Goves
11. Whistle
12. Shakelight
13. Toilet Bags
14. Moist Towelettes

It is our hope that these items will never see the light of day, but if there is a need for these items, it is good that we have them.

Mr. Fitzgerald
