What Students Have to Say...

“My years at Pacific Lutheran were wonderful - full of friends, fun, and faith. The students and faculty came together to create a Christian community that truly nurtured my academic growth as well as spiritual growth. Pacific Lutheran is a family. The teachers are both mentors and friends, and give their students the one-on-one attention they need.... I loved my experience and this school and I'm sure you will too!” - Kayla

“I am glad that I had the opportunity to attend Pacific Lutheran, where I obtained benefits I could not have gained at other schools.... I developed meaningful interactions amongst both faculty and fellow peers. Whether it be advancing my knowledge in the academic subject areas or building up my faith through the study of theology, PLHS provided the resources for intellectual and spiritual growth. Additionally, I enjoyed other opportunities such as extracurricular activities and outdoor trips. My years at Pacific Lutheran were certainly a memorable educational experience.” - Jimin
